

WorkoutAnimationPack

Thank you for purchasing this asset. I hope your project will be successful.

24 type workout animations

WorkoutAnimationPack contains 24 type animations for Humanoid.

All you have to do is play the Animation Clip, so it's easy to use.

Example of use

- Fitness App
- Anime

Directory structure

```
WorkoutAnimationPack/  
├ Animations/ (This directory is the core of the assets.)  
└ Demo/ (This is a demo scene, so if you don't need it, please delete  
it.)
```

Since this is animation data, it can be used in all render pipelines without any problems.
